"That's a fact, Jack."
Bill Murray in Stripes

"Here's another fine mess you've
gotton us into."
Oliver Hardy

Falcons are small, powerful birds that are related to the hawk and can be found throughout the world.

The falcons aerial strength and agility are exceptionally good. They use this ability in combination with their powerful, curved, sharply taloned feet, to capture their prey. A small, curved, sharp beak with a tooth like projection is used to tear their food apart which, is a diet consisting of birds, small mammals, and insects. Falcons can be identified by their bare legs.

The falcon is symbolic of the spirit of Minnechaug; it is strong, free, and proud as it soars above all others. The falcon represents our school as it is the name of our athletic teams and school mascot.

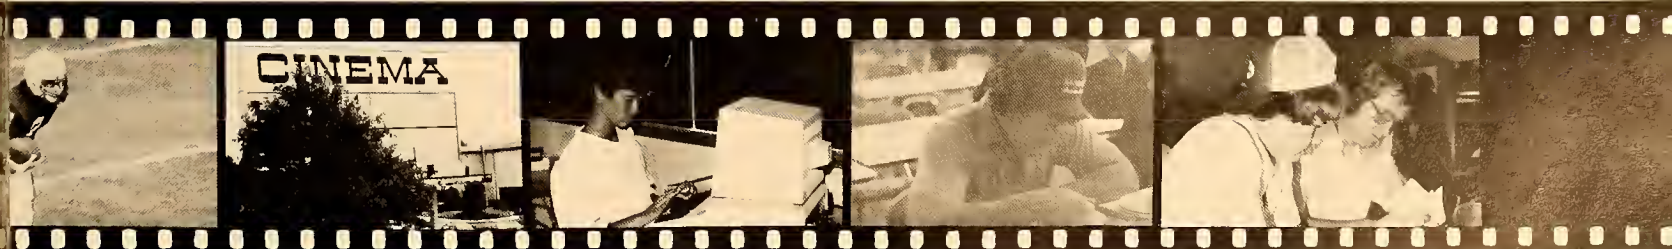

Each moment
Each hour
Each day
I add to the
living design

"They're here!"
Heathe O'rouke in Poltergeist

Who will Remember
the life we know now?
The close and distant relationships
the moment of inner struggle
and discovery of truth
The glimpses of life which opened
our eyes ...
The encounters that seemed so
small
but grew as we did
who can remember?

There are patterns
I must follow.
But I make of them
what I will.

Rodney Dangerfield

Saturday, June 18, 1983 is the day that marked a mile-stone to all American women. On this day 32 year old, Sally Ride, America's first space-bound woman, and her crew began their journey aboard the Space Shuttle Challenger.

Ride's mission was to operate the Shuttles 50 foot long Remote Manipulator System, to pluck a German-built experimental package called the Shuttle Pallet Satellite out of the cargo bay and let it orbit freely into space.

The Challenger flight was cut short on June 24th due to bad weather and made its premature landing at Edward's Air Force Base. When asked why she was chosen for the flight, she answered, "A good educational background and one that showed I could learn new things readily."

Minnechaug High . . . School is a pattern of concrete, wood, glass, paint, and brick; yet it is people who make it unique.

"The best thing about the future is that it comes only one day at a time."

Abe Lincoln

Our task now is not to fix the blame
for the past
but to fix the course for the future.
J. F. K.

"This country will not be a good place for any of us
to live unless we make it a good place to live in."
Theodore Roosevelt.

Having completed another summer, we enter the new school year wiser and more mature. Summer break has given us the opportunity to relax, enjoy ourselves, and grow through new experiences. It's given us time to sort out our feelings and thoughts for the future.

As school begins we also begin to plan a direction for the new year, some of us for our lives. We anticipate reuniting with friends and also in making new ones whom we can share our good times and bad times with. Hopefully this year will be a terrific one for all people, not just here at Minnechaug, but throughout the world.

class officers

Ted Moore (president), Mr. Martin Kibbe (class advisor), Rick Thorpe (vice president), Kelly Morrisette (secretary), Carole Gibb (treasurer).

Some of Minnechaug's most enjoyable experiences were the result of the class officers' hard work. Class president, Ted Moore, with Vice President Rick Thorpe, Secretary Carol Gibb, and Treasurer Kelly Morrisette, all worked closely together with Mr. Martin Kibbe (class advisor) to ensure some smooth, eventful years. Had they not taken the time to come up with unique ideas, organize activities, take care of paper work, and work well together; nothing would've been accomplished nor been as successful!

Freshman year, they sponsored a dance in which the seventh and eighth graders were invited to Minnechaug. Sophomore year, with the support of the homeroom

representatives, the class officers promoted the Dunkin Donut's coupon drive. Additionally, the traditional class ring sale occurred during sophomore year. Then, Junior year was the year of the magazine drive, which was very unique in style. An assembly was held in the auditorium, incentive prizes were shown, and a goal was set. Never before was our class spirit so evident. Finally, this class spirit was continued into Senior year, the Fifties Days Dance, the Senior Breakfast, the Senior Prom, the Senior Banquet, and finally, Graduation.

Thanks to our class officers and advisor; the class of 1984 now has four years of fond memories. Thank you all for such a successful class.

As a great movie star, I'd rather not be confronted by reporters.

Wow! A real live Star Wars figure!

You've got to be kidding!

"Time of your life, huh, kid?" -**Risky Business**

The class of 1984 would like to thank Mr. Martin Kibbe for guiding us through all four years at Minnechaug. Four years ago, when he became our class advisor, he had no previous experience as an advisor. He had no idea what he was getting himself into. It didn't stop him from taking the job. Mr. Kibbe was not bothered by all of the hassles, frustrations, and time involved in working with our class. He not only helped to make our funding drives a great success, but he increased the spirit and motivation of our class.

Although he has been a hockey coach for twelve years, he was still willing to give the job his best shot. He believes that being a class advisor has made him a better person. He enjoys meeting people and learning from the students he works with so closely. He especially enjoyed work-

ing with Ted Moore and our other loyal class officers.

We can all say with honesty that Mr. Kibbe has made our four years here at Minnechaug interesting and rewarding. We wish him the best of luck in the coming years.

In Memory of . . .

I rushed home from school to tell my mother the exciting events that had happened at school. As I burst through the door, I realized that my mother, Jean O'Neil, was dead. That fact is one of the hardest facts I've had to face up to, realizing my mother is dead. As tears trickle down my face one-by-one, my exciting event has left me, and I change to awareness-aware of the truth that my mother was more than a teacher, she was everyone's friend and she touched the lives of many. She loved Broadway, especially **Joseph** and **Chorus Line**. Listening to the things that my mother loved really upset me, but afterwards, I relaxed and slowly left my state of depression, knowing how many lives she filled with happiness and joy.

Jean O'Neil went on, until she could go no further. She was most of all a mother; but also a teacher, a person who made many lives special, in her own loving way. I will never forget her, and anyone who is a part of her life will never forget her either. I can admit there is an emptiness in my life, but I rejoice in the times she gave me, instead of depressing myself in the fact that she's gone.

Gone but not forgotten
Your love we still feel
You'll always be with us
Mrs. O'Neil

You were always a friend
beyond compare.
You taught us that English
took a great deal of care

However, above all
things that you prized
you always loved life
without compromise

We'll always love you
wherever you are
but somehow I feel
that you're not all that far.

Top: Glenn Garvey (Pres.) Mrs. Streeter (Advisor) **Bottom:** Sharon Nebel (Treas.), Pam Morrisette (Sec.) Angela Roncalli (V. Pres.)

The class officers have many jobs. They plan and organize such things as dances and fundraisers. The biggest fundraiser during the four years at Minnechaug is the magazine drive during Junior Year. The entire junior class is encouraged to go door to door and sell magazine subscriptions. The money received goes toward Senior activities.

This years class officers are Glenn Garvey as President, Angela Roncalli; Vice President, Pamela Morissette; Secretary and Sharon Nebel; Treasurer.

Repeat that again.

Sophomore gym is the most exciting of all. Where else can you find the thrill of being suspended on a wire with only a rope to hold you, and your classmates below cheering you on?

Project Adventure is it- unlike any other class offered at Minnechaug. Project Adventure teaches the students to trust and cooperate with their classmates.

Such events as the wobbily walk, the trust fall, and the wall are used in this interesting gym course. When all's over and done sophomore's can breathe easier knowing that they will never again have to go through another semester of Project Adventure!

We do something dumb,
completely ridiculous,
and we laugh hysterically for 20 minutes.

People who are not included
think we are crazy
immature, abnoxious.

It's hard for them to understand
the fun we have when
we're with each other
because they're our own games,
our own group.

We can also be serious.
They sometimes can't understand our problems
Why are we so upset about coming in at 10 o'clock?
We are good support for each other
Just having friends near
makes everything easier.

freshman class officers

Amy Hersman (Pres.), Lauri Cantalini (Sec.), Lynn Rist (Treas.) Missing: Greg Meeropol (V. Pres.)

What's the most terrifying experience that an incoming Freshman can ever have? Yes, you guessed it a trip through Minnechaug's notorious 'ARENA'.

For Freshmen and new students alike, Arena can be the most frightening and frustrating experience. The first day of school can change any Freshman's mind about wanting to be a high school student!

Arena begins with a long line to get in and many more inside. It means getting computer cards for every class and then finding out that one is filled up and you must start all over again-How Frustrating!!!

After all the computer cards are in order: then come the study cards. Then the never ending locator cards.

I Loved You Enough

Some day when my children are old enough to understand the logic that motivates a mother, I will tell them:

I loved you enough to ask you about where you were going, with whom, and what time you would get home.

I loved you enough to insist that you buy a bike that we could afford to give you with our own money.

I loved you enough to be silent and let you discover that your hand-picked friend was a creep.

I loved you enough to make you return a Milky Way, with a bite out of it, to a drugstore and confess, "I stole this."

I loved you enough to stand over you for two hours while

you cleaned your room, a job that would have taken me fifteen minutes.

I loved you enough to let you see anger, disappointment, disgust, and tears in my eyes.

I loved you enough to admit I was wrong and ask for your forgiveness.

I loved you enough to let you stumble, fall and hurt.

I loved you enough to let you assume the responsibility for your actions at 6, 10, or 16.

But, most of all, I loved you enough to say NO when you hated me for it. That was the hardest part of all.

football

The 1983-84 Falcon Football team continued in its winning ways and had the finest record in the school's history. The squad remained undefeated throughout the season while scoring a total of three points. The highlight of the season come in the last regular season game as the Falcons crushed arch-rival Classical, 35-14. It marked the first time in several years the Falcons beat the Bulldogs, and also meant a birth in the Super Bowl.

Leading the team through this outstanding season were senior tri-captains Rick Thorpe, Geoff Thomas, and Karl Chambers. Thorpe and Chambers were top notch offensive backs along with thousand-yard gainer Dan Macero. Macero also led the team and league in touchdowns and total points. Also playing well offensively were seniors Mike Vicowski

and Pete Sares and junior kicker Mike Trombley performed admirably while receivers Will Tyschen and Glen Garvey fought everything thrown to them.

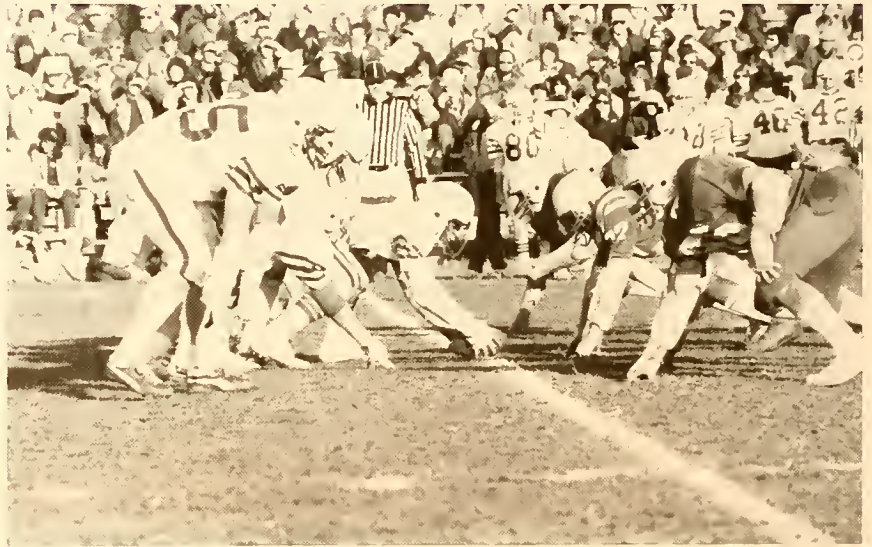

The defensive and offensive line was a key ingredient as they provided excellent blocking and pass coverage and accumulated many sacks and fumbles. Leading the way was Captain Thomas along with burly Sterling Dickinson, Ron Young, Bernt Auslanter, Pete Alberci and sophomore student Mike Chambers.

Head coach Mr. Dave Bennett, in charge for only two years, was assisted by Mr. Golferi, Mr. Mina, Mr. Brunell, and Mr. Sullivan. Best of luck to the coaches and returning let-terms for another Super Bowl season next year.

cheerleading

This year's cheerleaders worked very hard and it really paid off as they were at top form throughout the fall season. Much of the credit goes to the coach, Mrs. Bennett. She was appreciated and respected as was Senior Captain, Donna Farrell, whose efforts made the team the best.

Seniors, Kris Gwatin, Carole Gibb, and Tyna Hurley, all displayed their talents and showed much school spirit. The underclassmen made up most of the team and represented

the team well. They were juniors, Stephanie Hersman, Alyssa Labine, Anne Tenbrook, Pam Smith, and Sharon and Tracy Christianson, along with sophomores Noel Rihm and Erin Tierney.

The girls had many responsibilities this fall as they cheered regularly for football and soccer games, as well as organizing the pep-rally, which was a great success.

soccer

It was a tough year for Minnechaug Soccer, as the team suffered through a disappointing season. Leading the team were captains and three-year lettermen, Bill Gallant and Bill Downes. Gallant led the team in goals for the second straight year and Downes tallied the most assists. Both finished among the top ten in total points. Also supplying offensive firepower were Senior spark-plug, Joe Michaud and Sophomore Jeff Jones. The defense meanwhile was anchored by Senior fullback, Ted Moore, Sophomore, John O'Shaughnessy, and all-star Senior goalie Jim Boucher, who consistently made spectacular saves.

Other members of the squad who played for their last year were back-up goalie, Rich Shults, fullback Tim Sullivan, lineman Bob Boilard, and halfback Frank Schmidt.

Although the wins were few the team played exceptionally well on many different occasions. Against top-notch West Springfield they battled to a 2 - 2 tie and fought extremely hard against powerhouse Northampton before falling short 2 - 1.

Best of luck to veteran coach Andy Whalen, returning team members, and Gumby.

girls soccer

The girls' varsity soccer team finished its season with an 8-5-2 record. The team tied for second in a strong B-division and earned a berth in the Western Mass. Tournament. The Falcons lost a tough game to Ludlow, 3-2 to end their season.

Led by captains Kim Mawaka and Karen Madden, the team won three games against A-division opponents including Cathedral, Chicopee, and Classical. Mary and Jodi Miller and Michelle Taylor led the scoring attack. The fullback line of Kelly Burke, Karen Madden, and Pam Morrisette kept the opponents from the goal. Halfbacks Sharon Nebel, Sherri Habel, and Anne Fabbri controlled midfield.

Seniors Kim Mawaka, Karen Madden, Kelly Burke, Heather Rumplick, Michelle Methe, Maureen McCaffrey, Daria Dolecki, and Kelly Morrisette performed well each game.

The team has a group of talented, experienced underclassmen ready to fill in the gaps left by the graduating seniors. Congratulations on a successful season and good luck in 1984!

field hockey

Although its' record may not show it, the 1983 Varsity Girl's Field Hockey Team played some tough hockey this season. Several teams faced Minn. with the attitude that it was going to be an easy victory. However, within the first few minutes of the game the Falcons showed their opponents what they're up against. The team put all it had into all the games and kept playing hard even when they were behind.

Most of the team will be returning next year except for co-captains Rose-Marie Smith and Kathy Tamsey and Seniors Kate Hagarty and Wendy Holbrook. The remaining players have all gained useful experience which should prove to be a great asset for next year's season.

This year's Cross Country Team did an excellent job under the leadership of Coaches Don Bamford and Marty Barrett. The squad got off to an explosive start, winning five straight meets. Captains this year were Senior, Ken Belanger, and Junior, Dean Dickinson. This year's squad contained a Danish foreign exchange student, Peter Sejeverson, who made a major contribution to the team's success. Other contributing team members were: Jason Knapczk, Pete McDonald, Mike Lapierre, Greg Smith, Fred Lesniak, Kevin Wilkinson, Chris Paluck, and Ivan Bachelor.

Sophomore Chip, doing a flip

The 1983 boys gymnastics team had another very successful season. Although the men's gymnastics team didn't win Western Mass., they were undefeated throughout their season, (4-0).

The return of Junior Curt Holdsworth was a large asset to the team. Strong performances by Seniors Peter Kerr and by Juniors Ray Putnam and Kevin Holden were also contributions to the season.

Coach Keith Lomas was another major reason for the continuing success of the team. This is Coach Lomas's sixth season with the men's gymnastics team, and he has carefully assisted and guided the members of the team.

Congratulations to the 1983 boys gymnastics team!

girls gymnastics

A spirited girls' gymnastics team lines up before the meet.

Seniors Kristin Smith and Beth Tronsky

Once again, the girls gymnastics team has kept Minnechaug at the top! The Falcons remained undefeated with a record of 11-0. This year, the female gymnasts were faced with trying to maintain the winning tradition established by previous teams. For the past three years the Falcons have won the Western Massachusetts Championship. The question this year was-could they possibly obtain it again?

These fifteen attractive, talented, and dedicated gymnasts began training in August and continued training three hours a day, six days a week for 3 ½ months. With much determination, they worked hard to perfect routines in the four competitive events-uneven bars, floor exercise, balance beam, and side horse vaulting.

Just how has the girls gymnastics team maintained their success? Well, it takes two dedicated coaches, Pat (Grinch) Lynch and Pat (Crash) Cascio, to inspire the team with valuable instruction, constant encouragement, and emotional support. The teams managers, Carol Shine and Jon Burgess, were also, two very valuable "behind the scenes" contributors.

The team applauds a good performance

basketball

The 1984 Minnechaug Basketball team rebounded from a disappointing 5-15 record last year, to have an excellent season. The team won most of their games this year, including their last four, which got them into the Western Mass. Tournament. They played powerhouse Holyoke to the final seconds, but came up short, 68-70.

Leading the Falcons to their successful season were Senior Captains Dave Mendoza and Bill Downes. Mendoza led the team in many offensive categories, including scoring 16 points a game, and rebounding 11 points a game. Downes quarterbacked the team and led in assists. Also starting for the Falcons was Senior center Troy Dickinson. Junior for-

ward Bill Sullivan and Junior guard Dean Dickinson also played a vital role in the Falcon's success. Coming off the bench and playing well were Seniors Jim Barnard, Dave Strepka, and Juniors Mark Fegley, Scott Kazmarski, Brian Lucas, and Mike Trombley.

Head Coach Jim Girotti was in charge of the team for his tenth year, assisted by Fred Steng and Dan Hanscom. A special thanks to our scorer Kelly Morissette and statistician Michelle Methe. The future looks great as six players return and a 16-2 Junior Varsity squad is right behind them, who captured 1st place this year.

cheerleading

This year's winter cheerleaders did a great job cheering on the basketball team. The team was lead by Coach Linda Bennett and Captain Donna Farrell. The team was a relatively new one, only four cheerleaders returned from football season. These four are Senior Donna Farrell, Junior Stephanie Hersman, and Sophomores Noel Rehm and Erin Tierny. The other cheerleaders are Seniors Cindy Jones and Beth Dickinson, Junior Shelly Sauve, and Sophomores, Missy Ablondi, Amanda Evans, Andrea Hinks, Kathy Gullett, and Maria Servidio.

The girls' varsity basketball team had a great improvement over last season. Led by Co-Captains Kathy Wrede and Karen Madden the girls found themselves competitive in every game in a strong B-Division.

The girls biggest asset was in teamwork where everyone helped in the winning cause. Karen Madden led the team in scoring while Kathy Wrede, Mary Miller, and Pam Morsette controlled the defensive boards. Michelle Soukup controlled the offense at point guard and Lori Welch controlled the opponent's offense with her blocked shots. Jean Gurecki, Diana Grover, and Julie Considine provided valuable play in clutch situations.

Next year looks very promising with only three seniors graduating. The underclassmen should have the experience to surprise many teams.

hockey

The Varsity Hockey team had a tough season. The team wanted to accomplish the feat of champions of the Fay Division, or as done last year, co-champs. The team ended with seven wins and eight loses. Captains Jon Burgess and John Hartin kept the team going. Jon was one of the top goal tenders in Western Mass, as John was a top scorer. The Seniors, Jim Plante, Mark Simonds, Scott Brown, Ed Salerno, Lee Walker, Bill Gallant and Steve Davis, will be missed next year. Hopefully, Juniors Brian Stearns, Matt Rogers, Kurt Jones, and Rob Smith will fill in the gaps both defensively and offensively. Sophomores John O'Shaughnessy and Don Rostowski will be there to give a helping hand. Good luck next season!

boys skiing

The men's ski team had a slow start this year, however, their record improved as the season went along. Team captains for this year's team were Tim Blomberg and Ted Moore. Other team members are: Jim Metzger, Dave Carlson, Dave Blizard, Jeff Collins, Curt Rahilly, Brian Barry, Jim Polard, Chris Dunkley, and Chris Roan.

Every Tuesday the team goes to Berkshire East to practice, and races are on Thursday nights. Tim Rogers is the boys' coach and the team did well because of his influence and training.

The Women's Varsity Ski Team got off to a slow start this season. However, under the direction of Coach Mina and the leadership of co-captains K.K. Asbeck and Stephanie Quirk, the team has steadily improved and is currently holding down fourth place in the standings.

Juniors K.K. Asbeck, Stephanie Quirk and Tracy Christranson have been tough competitors, often placing in the top ten. The overall efforts of Sr. Kari Carlson and newcomer Jr. Sharon Christianson have helped the team secure and hold on to fourth place.

This year's team is quite young and is very promising for next year. The efforts and steady improvement of Soph. Hillary Broderick, Sara Witherton, Leanne Shea, Kelly Christianson and Cathy Brainard, along with Freshman Tracy Auslander, should help to keep the team's hold on fourth place.

A helping hand

The girls' swim team was led by Captains Daria Dolecki and Lisa Riddle. The girls finished out the season with an outstanding record of 9 wins, 3 losses and one tie. Coach Tom Pollard and Sue McFadden aided the girls in their success. Their dedication proved to be beneficial for the performance of the girls.

Outstanding contributors were Seniors Daria Dolecki and Lisa Riddle, Juniors Teresa J. Agnew and Karen Griswold, and Sophomores Melissa Kanzinger and Kristen Pilarcik.

Without added depth this season's success wouldn't have been nearly as great. The members who contributed were: Seniors Wendy Holbrook, Rose Smith, Allison Mikkola and Kathy Siebert; Juniors Sue Counos, Sue Neiderfinger and Deb Wall; Sophomores Karen Canegallo, Allison Grassetti, Emily Mikkola, Beth Shea; Freshman Sara Connell, Janet Moody, Cynthia Nowakowski, Rachael Taylor and Chris Turcotte.

Now, the chess players do not read chess books from cover to cover nor do they pout everytime they lose. The players continuously meet twice a week for practices.

Minnechaug is not without championships from this club. They compete against area schools as well as each other. The Chess Club has won many consecutive wins and have remained undefeated. Much support has been granted by the club advisor, Mr. Mina. He has lead the team for seven consecutive years. Mr. Mina has given the team constant encouragement which has, in turn, produced winners!!

Last summer they traveled to Rochester, New York for the National Junior Classical League Convention. A happy couple

For the first time the class of '86 sponsored a dance. From 8-11 p.m., the entire student body could enjoy a night of great music and dancing. The rock 'n roll of Quiet Riot to the disco beat of Michael Jackson pounded through the walls of the gymnasium giving Minnechaug's students a reason to dance the night away. Although the attendance wasn't as high as the Battle of the Classes Dance, the students who did attend the Class of '86 dance had a terrific time dancing to the D.J.'s music.

Every morning a voice booms out over the loud speaker saying, "Good morning! Please join me in a few moments during which each one of us may engage in private meditation." This is then followed by the Pledge of Allegiance and all kinds of important information, such as canceled classes. Did you ever wonder whose voice you were listening to? Well, that person is an office aide. Besides morning announcements, the office aides work with attendance records, answering the telephone, sorting mail, and filing. Through this work, these aides get experience with office procedures and background material for a secretarial field. The secretaries who work in the office find the aides very helpful because they make their jobs a little bit easier.

Are you planning to pursue a career in nursing? If the answer is yes, then why don't you volunteer your free time to become a nurse's aide.

The aides help Mrs. Wolford, our nurse, during their study halls and cancelled classes. They get experience with small medical emergencies as well as other basic office procedures. They help Mrs. Wolford by keeping and filing medical information on the students, and taking care of those who are ill or injured. Hopefully they never have to deal with a seriously injured person. The nurse is very appreciative of their help.

library aides

If one were to go into the library at any time during the day, one would see a few students behind the main desk, busy at work. They are the library aides. They perform different duties to help the library run more smoothly. A library aide will check out a book for a student, place books back on the shelves, get periodicals upon request, and file those overdue slips. If one ever was in need of information and didn't know where to find it, ask a library aide. This is another part of their job. They are a great help to the library.

This year there were four one act plays performed: "All's Fair in Love and Jealousy", "Hello Out There", "The Runaway", and "Ah Euripedes".

"All's Fair in Love and Jealousy" was about a young girl who caused trouble. She invited an unpopular girl to a party and tried to plant cocaine on her, but the plan back fired. Lead roles were held by Deb Piggot, Chris Rymsa, and Nancy Picot.

"Hello Out There" is the story of a lonely gambler who has been convicted for adultery. While in prison he mets a poor girl and they make plans to be married; however, their plans are ruined when the gambler is killed by the husband of the adultress. Lead roles were played by Tom Burget and Ramona Aberdine.

"The Runaway" is about a young boy, played by James Goodrow, who runs away from home, and how his fairy Godmother, Nancy Piwonski, trys to stop him.

"Euripedes" is a Greek myth about a man whose wife dies. The man goes to Hades to try and bring his wife back into the world of the living. He is allowed to bring her back as long as he doesn't look at her on the journey; but he fails. The wife was played by Rill Gibson, the husband by Joe Horsack, and Mary Megliola play the part of Hades.

This year Mary Megliola was voted as the Best Actress and James Goudreau was voted as the Best Actor. Joe Horsack was chosen as Best Supporting Actor while Rill Gibson was the Best Supporting Actress. Did you ever stop to wonder why anyone would want the responsibilities of a yearbook editor? The answer is quite simple — "the feeling of accomplishment and never ending sense of satisfaction."

Being an editor requires lots of hard work and determination. It also means commitment. Long hours of cropping pictures, doing layouts and writing copy, as well as after school meeting, are all a part of this commitment. It's a job that's fun and rewarding, but along with that comes the bad times. (Ask any yearbook member!!) This year's editors overcame many loopholes and hardships. Trying to produce a yearbook better than the 1982-1983 Falcon was a challenge. Through it all, our advisor Mrs. Maiwald stood by to encourage us and offer help when we needed it.

The 1983-1984 yearbook staff pulled through the problems with one last thought, "Thank God it's over!!!"

Members of "Spector"

This year's Battle of the Classes Dance, sponsored by J.C.L., turned out to be a terrific evening for everyone. "Spector," featuring three Minnechaug graduates, Mark Guthrie, Darren Izzo, and Paul Drumheller, did an excellent job of getting everyone into the spirit. They also surprised everyone with the news that they were splitting up because Mark Guthrie, lead singer, was going into the Army. Half-way through the dance, Mr. Tipaldi made his debut with the announcements that all football players should be in bed and also the final attendance tally for the winning class. Of course, the sophomores emerged victoriously once again.

student government

Student Government is an organization which serves as a bridge between the administration, the faculty, and the student body. Elected student representatives convey the opinions and ideas of the student body to the administration and faculty in order to make the school better.

Hard working student representatives spend much of their free time making posters for fund raisers, preparing for dances, attending meetings, making agendas, counting election ballots, and donating money to other school or community groups. However, student Government's foremost duty is to keep the "Spirit of Chaug" alive

Seniors: E. Thorpe, C. Gibb, K. Morrisette, C. Broderick, B. Dickinson, D. Mendoza, B. Russell, J. Wilson, D. Messier, D. Dolecki, M. Nestor, M. Megliola. Juniors: G. Garvey, A. Roncolli, P. Whenever you see a Minnechaug band member out in the cold, November weather, you can probably bet that that person is selling fruit. Well, that's exactly what they did, the band sold one and a half truck loads of oranges and grapefruits.

The Wind Ensemble and Concert Band, directed by Mr. Charles Beeler, worked long and hard with the 86 band members for their annual Pops/Dinner concert. The concert was held on March 23 and 24, in the Minnechaug auditorium at 8 p.m.

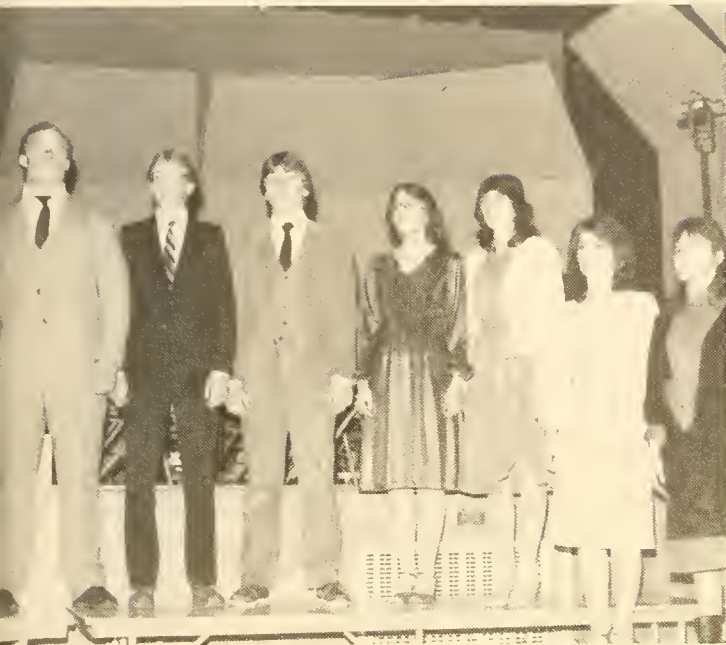

All the hours of band rehearsals, night rehearsals, practicing paid off when the entire band went to Baltimore in May. It was an exciting, fun trip for everyone.

The alto section

What would life be without music? Music is an entertaining, essential part of all our daily lives. It is safe to say that there is no one who does not enjoy some kind of music.

Minnechaug High School realizes this and provides a program that allows its students to extend their talents to the highest level possible.

A first year student in the choral program starts out at the first level. For girls this is the girls chorus and for the males, the concert choir.

Concert choir is entered by audition along with the honors choir, the Madrigal singers, which requires special talent and out of school performances.

Minnechaug's music department is well represented every year at the Western-Mass District Competition. Many of these students go on to compete and represent their school at higher levels. All students also have the opportunity to participate in an annual folk festival and a music drama production put on every two years. Both continually result in fine performances enjoyed by much of the community.

The overall reputation brought about by a combination of interested talented students and the teaching of Mr. Warren Amerman is one of the finest in Western Mass.

semi-formal

Christmas is a good time for getting together with friends. The Semi-Formal is a very special dance that is appropriately held at Christmas time. On Saturday, December 17, at 8:00 p.m.; 335 people came to this annual dance. It was held in the school's old gym, but that didn't bother anyone. Mirage was the band that played and a good time was had by all. Mr. Eakins dressed up as this year's Santa Claus and had fun passing out candy canes to the students. Everyone looks forward to this dance very much and hopefully their memories of it are pleasant ones.

The 1983 Semi-Formal is underway!

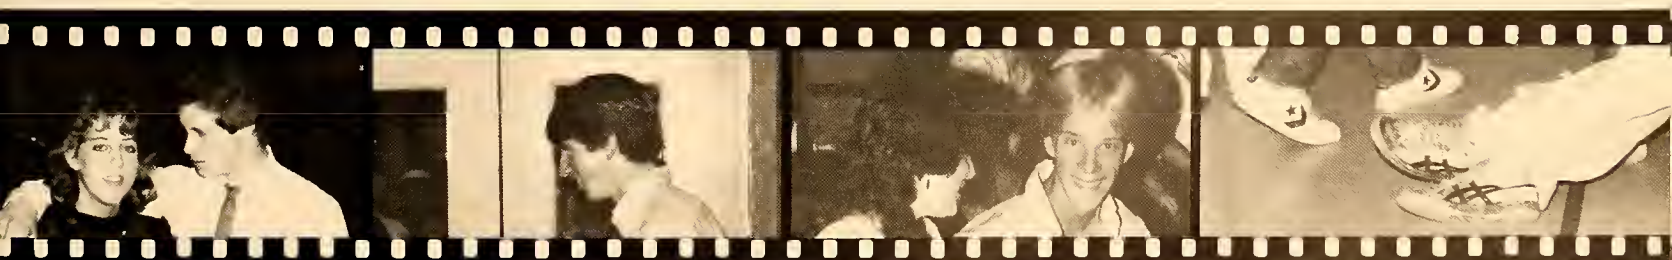

Merry Christmas, Ho-Ho-Ho!

First Row: R. Pruett, E. Karplus, **Second Row:** J. Barufaldi, S. Sherman, Mr. Granaudo (advisor), J. Isham, J. Garten, M. Pak

Only an avid math student could stand the long hours of practice and studying that go into the preparation of a Mathletes competition. (Ask any member of the Mathletes and I'm sure they'll confirm it!)

Hardworking and dedicated are only two of the adjectives used to describe this remarkable team. The students who compete five times a year with as many as seventeen different schools, stay after twice a week to practice and sharpen their mathematical minds. The categories covered in the competition are Algebra I, Geometry, Trigonometry, Algebra II, Complex Numbers, and Analytical Geometry.

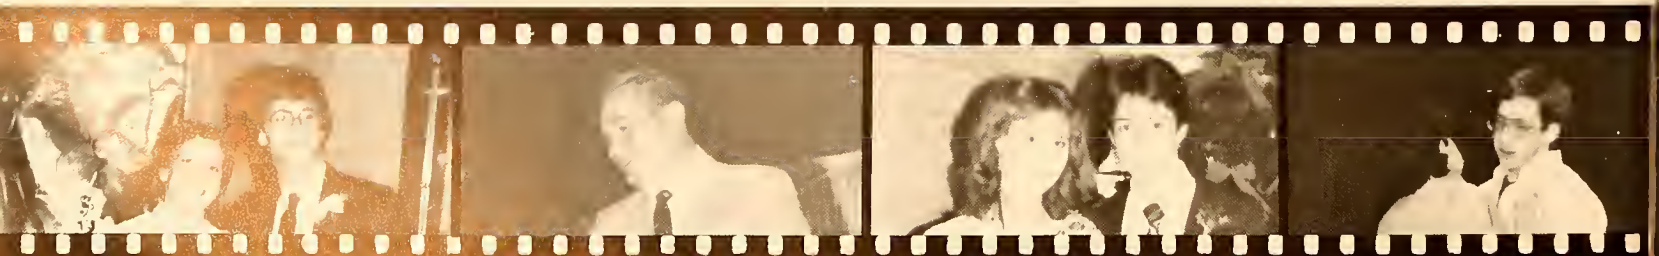

Thanks to advisor Mr. Granaudo, the team has shown great success throughout the years.

the falcon players

"Muggie's Merry Christmas"

"A Very Unusual Christmas!"

The Falcon Players are one of the newer groups at Minnechaug. They work to preserve and promote theatre arts in school and in the community. Their first major production was in December when they produced two Christmas One-Act Plays. The Falcon Players are not, as a group, connected to the Fall One-Act Competitions, or the annual spring production, but they do hope, one day, to send the winning One Act from the fall competition to a regional and state competition.

The members are simply students at Minnechaug who are interested, in some way, in theatre and the stage (actors, directors, technicians, set designers, electricians) Goals for next year include finding new and better supplies for the future theatrical productions at Minnechaug.

gym show

Captains

The ribbon routine

Tremendous athletic ability combined with excellent choreography were two key elements to get another successful gym show. The show featured high school gymnastics at its very finest. Performances on floor, beam, parallel bars, horse, uneven parallel bars, and rings were the main events of the evening. Dance routines choreographed by Kristen Smith brought pizzazz to the show. The long hours of hard work and practice were obvious in each and every performance. Each move was done with agility and grace.

The most breathtaking event of the evening was the Tiger Leap. Here the all-around champion, Curt Holdsowrth, attempted to vault over the horse, each time adding another team member to the top. The total reached eight team members. It proved most breathtaking to Jon Burgess who was the one on the bottom of the pile.

Congratulations are in order to the entire gymnastics team for another outstanding year.

Up! Up! and over!
